THANKS again to all the business & individuals who donated items for the drawing and also for the cash donations to purchase the I-Pad!!

Also, this week we received a grant towards the Park Equipment from Wal-Mart for \$1,000.00!!

Some of you that have been to the office the last few weeks have noticed the new paint job that the Alma 4-H kids did as a service project. **THANK YOU THANK YOU!!** It looks great! It really has brightened up the Hall! Below are some pics of before, during & after! The next phase for the Hall that they are doing is replacing the covering/door for where the folding chairs are stored as well as re-scanning the history pics and adding any new ones that come in. So if you or your family have some Alma historical pics that we can scan & add to our wall, please let us know!
