We had the most beautiful & vibrant double rainbow on March 15th! My pics don't do it justice!

Reminder...

If you want to rent the park shelter houses for a party, reunion or graduation this year, be sure to book in advance, as reservations are already starting to come in!! Even if you are just going to use the Open Shelters for an event it is best to reserve them in case the entire park has been rented out for that day!

Open Shelter Houses are FREE to reserve.

Enclosed Shelter is \$15.00/day.

Call or email City Hall to check availability!

FYI...

On the Water Bill going out April 25th, you will notice a "PRIMACY" FEE on it. This is a yearly fee that the City collects for the Missouri Department of Natural Resources. This user fee, paid by the customers of Missouri's public water supply systems, supports the department's efforts to ensure Missourians are provided safe drinking water.

(Last month's newsletter I stated it would be on the March 25th bill- that was an error-it will be on April's!)

Alma Seniors Win Tourney, League

by Murray Sander

The Alma Senior Little League completed a successful season, by taking first place in the La-Co-Mo tournament at Wellington.

After drawing a bye in the first round, they went on to defeat Mayview 18-3 in the second round with Tracy Bredehoeft doing the pitching. In the final game Alma defeated Wellington 16-5 behind the pitching of John Greiwe.

With a record of 11 and 1, the Alma Seniors were also La-Co-Mo League champions, winning games with Concordia, Corder, Mayview, Waverly and Wellington. Their only defeat was by Wellington in a 1-0 game. Alma scored 217 runs this season, while holding their opponents to 72. Leading hitters for Alma were Mark Wesley with 23 and Gary Chastine with 18. Pitching was shared by John Greiwe, Gary Chastine and Tracy Bredehoeft. Several outstanding pitching performances were turned in by John Greiwe, including a no-hitter against Wellington.

Four Alma players were chosen to be on the La-Co-

Most of the materials from
the old school were sold lo-
cally. The antique 3-V
round-edge paver bricks
were popular items and were
sold for 8 to 10 cents each,
depending on the quantity
purchased. Many local
patrons purchased 500 or
less bricks for souvenirs
or to be used in fireplaces,
garden spots, or other do-
mestic uses. A total of
48,250 face brick were sal-
vaged and sold.

The Santa Fe R-X Board
of Education has not made a
definite decision on the use
of the land where the old
school and mobile units once
stood. One possible solution
would be for additional park-
ing space for athletic con-
tests.

AFTER

Lots of houses going up and the installation of the lift station that is along Goodwin Rd.
