Create a Voice Message Options

TaquaMail asks you to record the message after the tone.

When you are finished, dial # or hang up.

Either action disconnects your call and stores the message in the “New” messages folder.

Record a message/greeting

TaquaMail asks you to record the message after the tone.

After the tone say your message, and then press the # key.

TaquaMail gives you these options:

- 1 – Accept this recording
- 2 – Listen to the recording
- 3 – To re-record your message

Change your Password

TaquaMail asks you to enter your new password followed by #.

Enter your new password, and #.

TaquaMail asks you to re-enter your new password followed by #.

Enter your new password and # again.

TaquaMail confirms that your password has been changed, and returns you to the Voice Mail Box options.
